EPISTLE LESSON - John

1 John 4:16b-21

God is love, and those who abide in love abide in God, and God abides in them. Love has been perfected among us in this: that we may have boldness on the day of judgment, because as God is, so are we in this world. There is no fear in love, but perfect love casts out fear; for fear has to do with punishment, and whoever fears has not reached perfection in love. We love because God first loved us. Those who say, "I love God," and hate a brother or sister are liars, for those who do not love a brother or sister, whom they have seen, cannot love God, whom they have not seen. The commandment we have from God is this: those who love God must love their brothers and sisters also.
