

TLC School Age Summer Camp 2026

Weekly Theme Descriptions

June 8-12: Look Up to Jesus- Blast off into a summer of faith and discovery! Campers explore God's amazing universe through space-themed games, hands-on science, creative crafts, and Bible lessons that inspire them to look up, trust Jesus, and shine bright.

June 15-19: Animal Planet - Campers will discover different species, learn about habitats and conservation, and enjoy interactive experiences such as nature walks, animal-inspired crafts, and engaging games. It's a playful, educational journey that sparks curiosity and fosters a love for wildlife.

June 22-26: Deep Blue Sea- Dive into an exciting ocean-themed adventure where campers explore marine life, enjoy hands-on water activities, create sea-inspired crafts, and make new friends!

June 29-July 2: Happy Holidays- Brings the joy of holidays to life all season long! Each day highlights a different celebration—Valentine's Day, Easter, the 4th of July, and Christmas. Campers enjoy themed crafts, games, stories, music, and fun activities that teach them about customs and traditions in a playful, engaging way. **CLOSED JULY 3RD**

July 6-10: Brilliant Bodies - This week, campers will learn all about the human body in a fun, interactive way. Campers explore how organs work, discover the five senses, learn about bones and muscles, and take part in hands-on experiments and activities. Through engaging games and creative projects, children gain a better understanding of how their amazing bodies move, grow, and stay healthy.

July 13-17: Reduce, Reuse, Remember Jesus- Join us for a faith-filled, hands-on summer adventure where kids learn to care for God's creation! Through fun recycling projects, eco-friendly crafts, outdoor activities, and Bible lessons, campers discover how to live responsibly, follow Jesus, and make a positive difference in the world.

July 20-24: A Trip through Time- Take an adventure through time and explore the coolest decades in history! Each day highlights a different era—like the rockin' '50s, groovy '60s, disco '70s, or neon '80s—with themed crafts, music, games, fashion, and activities. Campers learn about the styles, culture, and fun of each decade while enjoying a creative and energetic summer experience.

July 27-31: Lego and let God- Campers will use creativity, teamwork, and faith to build something amazing—inside and out! Campers will design and construct with LEGO bricks while exploring uplifting activities, fun challenges, and hands-on activities that inspire confidence, imagination, and a deeper connection with God. It's a perfect blend of building, learning, and growing in a positive, encouraging environment.

Aug. 3-7: Unbirthday Party- This week is filled with nonstop celebration! Kids enjoy classic party games, creative crafts, festive treats, and themed activities that make every day feel like a birthday. From decorating cupcakes to making party hats and playing fun group games, campers get to celebrate friendship, imagination, and joy all summer long.

Aug. 10-14: Color Me Crazy- Get ready for a whirlwind of color, creativity, and fun! Campers dive into hands-on art projects, messy and vibrant crafts, painting, tie-dye, and imaginative activities that let their creativity run wild. **LIMITED ENROLLMENT!**

Aug. 17-21: Mad Scientist- From chemistry to physics, we will explore the fun, fizzy, messy, exploding, even smelly SCIENCE! Rockets & rainbows, gravity & geology, magnetism & motion; we will have a hands-on week filled with scientific wonder. **LIMITED ENROLLMENT!**
