

2026 Volunteer Counselor Information

Dear Applicant,

Thank you so much for your interest in being a Volunteer Counselor at Trinity Summer Camp! VC's are soon-to-be 7th-12th graders who work with a "cabin" of campers under the guidance of a Cabin Leader.

As we begin our 11th year of Summer Camp, the process of choosing VCs has become more selective. This is due to the increased number of applicants and our experience with the VC program over the past 10 years. While it would be great to accept everyone who desires to be a VC, this is simply not possible. Selection of VCs will be based on full completion of the application process, interview, and past performance (if applicable).

Volunteer Counselors (VCs) are a valuable part of the Summer Camp Team. They have the important job of being positive role models for the campers, getting to know them and building relationships with them over the course of the weeks they attend. VCs do everything possible to ensure the campers feel they are an important part of the Summer Camp "family." They also help lead activities and ensure that campers are engaged in the happenings of the day.

Camp hours are from 9:00 a.m. to 3:00 p.m. **VCs are needed from 8:30 a.m. to 3:15 p.m.** This allows time for a brief morning meeting, helping set up the cabins, preparing activity spaces, and discussing the day's schedule with the Cabin Leader.

To be a Volunteer Counselor, you **must** attend one of the mandatory *Orientation and Training* sessions:
Sunday, April 12th at 9:45 am **OR** Sunday, May 3rd at 12:30 PM.
These will meet in the Chapel and will last about one hour.
A parent must be present with you for the last 10 minutes of the training.
If you do not attend one of these training sessions, you will not be considered for a VC position.

All VCs will receive a Summer Camp t-shirt, and lunch will be provided each day of work.

Our goal is not only for you to be a role model and helper for campers in your cabin group, but also for you to grow in your faith during your summer experience. We will study scripture and have faith conversations during each day of camp.

Being a VC is a big responsibility. We have certain expectations of people when they lead children. Below are some of the responsibilities and expectations:

What Trinity Expects of You:

- Model love, kindness, and respect to those around you
- Dress appropriately and use God-pleasing language
- Be "unplugged" during work hours (cell phones will be turned into the ECC office each morning and can be picked up at 3:15)
- Respectfully follow directions as given by the Cabin Leaders and Trinity leadership
- Be prepared to help in a variety of ways (i.e. setting up activities, cleaning up, helping campers)

- Participate in conversations, devotions, opening and closing programs, and prayer time
- Have a positive attitude and set a good example through your actions and words
- Be professional and responsible
- Commit to a minimum of 2 weeks as a VC (weeks do not have to be consecutive)

What You Can Expect of Trinity:

- To be equipped with the materials and supplies you need to be successful as a VC
- To be treated with love, kindness, and grace
- To be appreciated as an important part of the Summer Camp team
- To be supported in your time spent helping children and in your journey as a growing Christian
- To be held accountable for your actions and choices

If this sounds like something you feel you are being led to do, you will want to apply soon! The process to apply involves:

- Filling out and submitting the *Volunteer Counselor Application*
- Scheduling and completing a face-to-face interview
- Attending one of the mandatory orientation and training sessions

To schedule an interview, you (not your mom or dad) must contact Jessica Platte by email at jplatte@trinityct.org or 586-463-2921 x165. Your interview must be scheduled **after** or **at the time** you submit your application.

You must complete your interview before May 8th to be considered for a VC position.

The email you provided on the application will notify you of your final acceptance status and scheduled weeks, if applicable, by May 8th.

As you go through the application process, please know that we will be looking for the following characteristics in our Volunteer Counselors:

Whichever you choose, we are excited to be able to support you in your journey as a student! ***Note:** You cannot split up a week into both volunteer hours and the educational grant.
