FALL GROUP DIRECTORY

FORT COLLINS CAMPUS

JESUS-CENTERED FRIENDSHIP

Hi there!

We are thrilled you want to get involved and explore groups at Timberline!

It is our desire that everyone who considers Timberline Church home has the opportunity to be known and make Jesus-centered friendships.

It is often through our Jesus-centered friendships God comforts us, grows us, challenges us, and invites us to care for what He cares for. Most often these kinds of friendships happen in circles not in rows.

Maybe a circle is having a meal together, studying Scripture, playing golf, crafting, or meeting to pray. Maybe it starts with showing up to an event and initiating conversation with the other people who also attend. There are many ways these friendships can be cultivated and we pray you have the opportunity and the courage to show up to one that transforms you.

If you want direction about where to start, we would love to help! You can fill out a short survey with the QR code below and we will follow up with our best fitting recommendations.

Bless you!

Pastor Mackenzie Matthews

EXPLORE STARTING A NEW GROUP

Don't see the group you're interested in? If you'd be willing to explore leading or facilitating a new group we would love to explore this with you!

We offer training, support, content and resources for our new group leaders. For groups starting at our Fort Collins campus limited childcare is available on certain nights of the week.

We are currently praying for specific new groups for the future.
