

Job Description for Maintenance Technician & Lead Groundskeeper

Position

Maintenance Technician & Lead Groundskeeper

Hours

Full-Time, Non-Exempt

Reports to

Facilities Manager

Direct Reports

Grounds crew

Job Summary

The Maintenance Technician/Lead Groundskeeper is a non-exempt (eligible for overtime) position with Jersey Church. The specific regularly scheduled hours and workdays associated with this position may include weekdays, weekends, evenings, and holidays as required to meet the needs of the church's ministries. The Maintenance Technician's schedule will be determined by the Facilities Manager.

The essential purpose of the Maintenance Technician/Lead Groundskeeper is to provide maintenance to the church owned buildings, the equipment, oversee surrounding grounds and provide custodial support when requested. This document represents those duties that are essential to the Maintenance Technician's ability to perform the duties of his/her position as well as other related duties. Additional duties and responsibilities may be assigned as necessary and directed.

Job Expectations

The Maintenance Technician/Lead Groundskeeper is expected to be a committed, practicing Christian with the ability to form and maintain positive relationships with church staff as well as adult, youth, and child members of the congregation and of the neighboring community.

The Maintenance Technician/Lead Groundskeeper is expected to be a highly motivated, self-starter who is able to work in a mutually respectful setting with other staff, lay leaders, and volunteers. The Maintenance Technician must also have a demonstrated ability to foresee and proactively resolve problems within the area of his/her job-related responsibilities with a minimal amount of direct, day-to-day supervision. This ability necessarily requires demonstrated initiative, a desire for excellence, a positive work ethic, and the flexibility to respond to needs throughout the accumulated church properties. To do so requires good physical condition as well as the ability to lift heavy objects and climb ladders when necessary to complete tasks.

JERSEY CHURCH
