Our Response

- 1) What does the fullness of time mean in 4:4? Why is this so important?
- 2) How do you balance the reverence of our Holy God and the call here that we actually call our Heavenly Father, Daddy? What does that say about Him?

- 3) What does it mean that you are an adopted son or daughter of God? What difference does and should that make for you in your life this week?
- 4) What full rights do we have as God's children? Why would someone give up such rights?
- 5) What does it mean to be known by God? Why is this an amazing thing to say? How does it change you?
