Our Response

- 1) What does it mean to be content in Christ but not stagnant? Do you believe you are content? Why or why not?
- 2) How do you need to pursue contentment in your walk with Christ this week? How do you need to be satisfied, secure and strengthened?
- 3) Who are some people and/or churches you need to give thanks for today because they partnered with you and provided for you? Share with them thru a text, email or a note.
- 4) How have you seen the promise in verse 19, “my God will supply all your needs according to His glorious riches” come to pass in your life? Share or write them down.
- 5) If you could write a doxology of praise to the Lord, what would it be? Write one from your own life and share it with someone this week.
