## **Our Response**

- 1) Why does Solomon tell his son to avoid the worthless & wicked person?
- 2) When you read & hear these are things God hates, how do you respond and what comes to mind?
- 3) Why do we not talk about this part of God's character more often – what He hates? Why does God hate these sins and all other sins?
- 4) Where do you see the sin of pride sneaking into your life? How & in what ways do you need to the Lord to deal with pride in you?
- 5) How can you bring unity & not disunity in the body of Christ?
