Launchbox Information

Mission

Launch Box gives students an entry-level experience in ministering to unreached people groups without ever leaving the country. Students will meet and minister to internationals and refugees from all over the world through apartment ministry, prayer walking, and Backyard Bible Clubs.

Training

A good portion of each day will be devoted to training and equipping students to adopt an on mission lifestyle. We will also provide leaders who will serve with your group to model, assist, and encourage the students to make the most of every opportunity.

Worship

As our good friend John Piper always says, “Worship is the fuel and goal of missions.” There will be a worship service each night with great worship leaders and a healthy dose of expository preaching..

What you can expect

The primary missional activity will be outreach to immigrants and refugees in Ft. Worth. There are several apartment complexes that are filled with refugees who have been resettled in the United States. Some things your students will do at the apartment complexes include:

- Prayerwalking
- Hosting community events and games
- Leading Backyard Bible Clubs
- Building relationships and sharing the gospel
- Setting up apartments for refugees who have not arrived yet

Leadership Track Retreat | July 28th-31th

- Purpose?
 - Students who have completed our 9-month-long mentoring program are invited to attend this leadership retreat in Broken Bow, OK. During this event we will focus on developing a personal philosophy of leadership that prioritizes the way in which we serve the Church.
 -
 - More information about the week specifics will be sent to participants and families separately.
-

Promotion Sunday | August 17th

Purpose?

As we celebrate students completing their school year and having a great summer, we will welcome new 6th graders and everyone will begin their new class to kick off the new school year!
