ALL SAINTS'
YOUTH
MINISTRY

A Note From Luke

Hey there! My name is Luke Nolf, Youth Minister here at All Saints'! We have an incredible team of leaders and volunteers who are ready to welcome all rising 6th-12th graders into a community where you be yourself!

At All Saints', we believe church shouldn't just be a place youth attend—it should be a place where they truly belong. That means making sure every student is **Seen, Known, and Loved**—the heart of what belonging really means. Whether you're seeking laughter, meaningful friendships, real conversations, or just a space to be yourself, you'll find it here.

You belong here. Come for the high-energy games, gather for the family style meals, deep conversations, and the kind of community that sticks with you long after Sunday night. Youth ministry at All Saints' is a space where faith comes alive, questions are welcome, and everyone is invited into God's story.

No Phone Zone

You won't be able to see a four square ball flying at you if you're looking down at your phone! That's why the attic is a no phone zone. We want everyone to be in the moment, so we kindly ask you to leave all phones behind. No cell phones for SNL, Y'all Saints', Formation, and Choir. We want our kids and adults to take a break from screens and be in community with one another.

YOUTH PROGRAMMING OFFERINGS

Weekly Events

SNL (Grades 6-12)

A classic “youth group” experience for all young people in grades 6 through 12, we gather on Sunday evenings for a combination of community building, worship, service, and fun. Dinner is always included.

Y'all Saints (Grades 9-12)

Y'all Saints is a dynamic group for high school students to come together. Y'all Saints offers a space for high schoolers to explore important topics as they navigate adulthood, enjoy fun games, break bread, and connect with peers their age.

Wednesday Night @ All Saints (Grades 6-12)

Join us for a small group setting to dive deeper into your faith through book studies, deep conversations, and movies. We'll share dinner together at Wednesday Night Supper and gather in community.

Sunday Morning Formation (Grades 6-12)

Young people in grades 6 through 12 gather weekly in The Attic for donuts and coffee followed by group games, prayer, music, and a brief presentation before diving into small groups by grade level for deeper discussion around relevant topics relating to faith and life as followers of Jesus.

Formation Milestones

6th Grade: Weaving God's Promise

Weaving God's Promise focuses on how God's promises of salvation are interwoven into the fabric of our lives. It aims to foster spiritual growth, teach forgiveness, and encourage children to be Christ's ambassadors.

7th Grade: Rite 13

Rite 13, a marking of age milestone on your way to adulthood, is a special ceremony in the Episcopal church for our 7th grade class.

8th Grade: Confirmation

Confirmation, the choice to make a public statement of faith, is a chance for 8th graders to learn how to step into their faith as they prepare for high school.

9th-12th Grade: Journey to Adulthood (J2A)

J2A is a four year curriculum that is designed to help high school students navigate the challenges and opportunities of adolescence and prepare for adulthood.

YOUTH MINISTRIES OFFERINGS

Trips/ Pilgrimage

Middle & High School Retreats

Retreats designed just for middle and high school students! It's a weekend filled with fun, worship, games, and meaningful time in community. Step away from the everyday and grow deeper in your faith. They are a great chance to connect, recharge, and grow!

Mission Trip

The Mission Trip is open to all high school students (grades 9-12) and typically takes place within the U.S., with past locations including Charleston, South Carolina and Asheville, North Carolina.

International Pilgrimage

Open to students in grades 10–12, the Pilgrimage is a ten-day journey designed to disconnect from technology and step fully into the present—creating space to witness how God's Spirit is moving. It offers students a unique opportunity to focus deeply on their spiritual growth alongside their peers. Past destinations have included Cape Town, Ireland, Alaska, Spain, Croatia, Greece, Scotland, and Rio de Janeiro.

Off the Block Outings

Our youth group sometimes hits the road for thrilling outings! Possible destinations are Sky Zone, Six Flags, Braves Games, bowling and other fun spots. We love share a delicious meal together so sometimes we'll head to spots like Waffle House and the Varsity. Middle and high schoolers will have events tailored to their grade levels, with occasional combined age events for larger group activities.
