DISCUSSION GUIDE

- Icebreaker -

*What's one of your favorite memories
from a New Year's Celebration?*

1. Read **Exodus 7:5**. God demonstrated His power in relevant, understandable ways to the Egyptians, confronting their false beliefs head-on. What are relevant ways you've seen God reveal His power through the church to impact culture today?
2. Read **Exodus 9:1-7, 10:21-23**, and **2 Samuel 22:29**. Pastor Tom shared how God uses His power precisely and justly to "both comfort and confront, encourage and challenge, rebuke and restore simultaneously in the right people's lives." Which of these phrases describes how God is working in and through you now? Explain.
3. Read **Exodus 8:16-19**. God's power is unmatched. How does God's unmatched power give you unique perspective when facing life experiences?
4. Read **Numbers 11:29b** and **Ephesians 5:18**. God invites you to be filled with His Holy Spirit and rely on His power. What obstacles or attitudes do you need to surrender to God to embrace this invitation?
5. As a group, pick a time to remind one another to be filled with the Holy Spirit each day this week (via text, group chats, etc.). Then, at your next group session, unpack how the week went and your takeaways from the experience.

To live on purpose, I need power to do it.

After his first disastrous meeting with Pharaoh (note **Exodus 5**), Moses realized he needed more than just truthful words to deal with Pharaoh and fulfill God's plan to free the people of Israel from slavery.

What do we need to know about God's power that we can learn from Moses' life and experience?

1. God's Power Is Relevant

Note **Exodus 7:5**

- The plague of blood affected the Nile River (central to Egyptian life and considered the god Hapi).
- Frogs (goddess Heget).
- Livestock/animal deities (bull and cow gods).
- Darkness was an insult to the Sun-god Ra (Re), a chief deity.

God was contrasting His genuine power to the false power of the Egyptian gods.

Note **Exodus 7:22-24**

Egyptian magicians = priests with occultic abilities.

Note **Exodus 8:6-8, 12-15**

God also wants to reveal His power in and through us in relevant/understandable ways that can be grasped and comprehended by ordinary people.

2. God's Power Is Precise

God's power is always used in precise ways (note **Exodus 9:1-7**).

He uses His power justly.

He demonstrates His glory and power by keeping one group of people who mistakenly worshipped the Sun as a god *in the dark*; while at the same time keeping another group of people who for 4 centuries were thought to be *in the dark*...in the brightness of His light (note **Exodus 10:21-23, 2 Samuel 22:29**).

God's power in and through us can both comfort and confront, encourage and challenge, rebuke and restore simultaneously in the right people's lives.

3. God's Power Is Unmatched

Note **Exodus 7:11, 22; 8:7, 16-19a**

Finger of God...

Note **Exodus 31:18; Daniel 5; John 8:3-11; Luke 11:20**

God's power is unmatched and utterly unique.
