Wand'ring into the night  
Wanting a place to hide  
This weary soul  
This bag of bones

I try with all of my might  
But I just can't win the fight  
I'm slowly drifting a vagabond

And just when I ran out of the road  
I met a man I didn't know  
And He told me that I was not alone

You picked me up  
You turned me around  
And placed my feet on solid ground  
I thank the Master  
I thank the Savior

Because You healed my heart  
You changed my name  
Forever free I'm not the same  
I thank the Master  
I thank the Savior  
I thank God

I cannot deny what I've seen  
Got no choice but to believe  
My doubts are burnin'  
Like ashes in the wind

So so long to my old friends  
Burden and bitterness  
You can just keep them moving  
Nah you ain't welcome here

From now 'til I walk streets of gold  
I'll sing of how You saved my soul  
This wayward son has found his  
way back home

You picked me up  
You turned me around  
And placed my feet on solid ground  
I thank the Master  
I thank the Savior

Because You healed my heart  
You changed my name  
Forever free I'm not the same  
I thank the Master  
I thank the Savior  
I thank God

Hell lost another one  
I am free  
I am free  
I am free  
Hell lost another one  
I am free  
I am free  
I am free

Hell lost another one  
I am free  
I am free  
I am free  
Hell lost another one  
I am free  
I am free  
I am free

Hell lost another one  
I am free  
I am free  
I am free  
Hell lost another one  
I am free  
I am free  
I am free

Hell lost another one  
I am free  
I am free  
I am free  
Hell lost another one  
I am free  
I am free  
I am free

Hell lost another one  
I am free  
I am free  
I am free  
Hell lost another one  
I am free  
I am free  
Ohhhhh

You picked me up  
You turned me around  
And placed my feet on solid ground  
I thank the Master  
I thank the Savior

Because You healed my heart  
You changed my name  
Forever free I'm not the same  
I thank the Master  
I thank the Savior  
I thank God

I'm calling on the God of Jacob  
Whose love endures  
through generations  
I know that You will keep  
Your covenant

I'm calling on the God of Moses  
The One who opened up the ocean  
I need You now to do the  
same thing for me  
(For me, for me)

O God, my God, I need You  
O God, my God, I need You now  
How I need You now  
O Rock, O Rock of Ages  
I'm standing on Your faithfulness  
On Your faithfulness

I'm calling on the God of Mary  
Whose favor rests upon the lowly  
I know with You all things  
are possible

I'm calling on the God of David  
Who made a shepherd boy  
courageous  
I may not face Goliath  
But I've got my own giants

O God, my God, I need You  
O God, my God, I need You now  
How I need You now  
O Rock, O Rock of Ages  
I'm standing on Your faithfulness  
On Your faithfulness

*Instrumental*  
(It's Your faithfulness I'm standing on  
Never changes, never changes)

You heard Your children then  
You hear Your children now  
You are the same God  
You are the same God

You answered prayers back then  
And You will answer now  
You are the same God  
You are the same God

You were providing then  
You are providing now  
You are the same God  
(You are the same)  
You are the same God (Yeah)

You moved in power then  
God, move in power now  
You are the same God  
You are the same God

You were a healer then  
You are a healer now  
You are the same God  
You are the same God

You were a Savior then  
You are a Savior now  
You are the same God  
You are the same God

O God, my God, I need You  
O God, my God, I need You now  
How I need You now  
O Rock, O Rock of Ages  
I'm standing on Your faithfulness

How I need You now  
O Rock, O Rock of Ages  
I'm standing on Your faithfulness

# Mighty Name of Jesus

OPEN:

I pray into the atmosphere  
Spirit of God, You're here  
You have all authority  
I pray over my heart and mind  
I am healed by Your stripes  
Your blood declares that I am free

In the mighty name of Jesus, I pray  
Calling on the power of Heaven, I proclaim  
Every weapon formed against me, must break  
In the mighty name of Jesus

I draw a permanent boundary line  
The enemy has no rights to come near my  
family  
No scheme could ever undo God's plans  
No matter the circumstance  
The cross has sealed my destiny

In the mighty name of Jesus, I pray  
Calling on the power of Heaven, I proclaim  
Every weapon formed against me, must break  
In the mighty name of Jesus

In the mighty name of Jesus, I know  
All the power of fear and darkness, must go  
He's every key to every victory, I hold  
In the mighty name of Jesus

I will not fear, I will not fear  
When the enemy comes near  
On the door frame of my life  
Is the blood of Jesus Christ  
I will not fear, I will not fear  
There's an army of angels here  
I'm protected on all sides  
By the blood of Jesus Christ

In the mighty name of Jesus, I pray  
Calling on the power of Heaven, I proclaim  
Every weapon formed against me, must break  
In the mighty name of Jesus

In the mighty name of Jesus, I know  
All the power of fear and darkness, must go  
He's every key to every victory, I hold  
In the mighty name of Jesus

It's in the mighty name of Jesus  
It's in the mighty name of Jesus  
It's in the mighty name of Jesus

Oh, the name of Jesus  
There's no higher name  
There's no greater name  
It holds all authority  
All powers  
It's in His name  
Oh, we're just beginnin' to lift up His name of  
Jesus in this place

We declare You have the power, You have the  
power  
Oh  
The name of Jesus  
There's no other name  
There's no other name

I will not fear, I will not fear  
When the enemy comes near  
On the door frame of my life  
Is the blood of Jesus Christ  
I will not fear, I will not fear  
There's an army of angels here  
I'm protected on all sides  
By the blood of Jesus Christ

I will not fear, I will not fear  
When the enemy comes near (oh)  
On the door frame of my life (my hole life)  
Is the blood of Jesus Christ (Is the blood of  
Jesus Christ)  
I will not fear, I will not fear  
There's an army of angels here (of angels  
here, oh)  
I'm protected on all sides (on all sides)  
By the blood of Jesus Christ (oh, by the blood  
of Jesus)

In the mighty name of Jesus, I pray  
Calling on the power of Heaven, I proclaim (I  
proclaim)  
Every weapon formed against me, must break  
In the mighty name of Jesus

In the mighty name of Jesus, I know  
All the power of fear and darkness, must go  
He's every key to every victory, I hold  
In the mighty name of Jesus

It's in the mighty name of Jesus  
It's in the mighty name of Jesus (hey)
