STUDENT MINISTRY

REPORTS TO: *Pastor Tony Myles*

OBJECTIVE

Reach students (and everyone in their lives) to help them become fully-devoted followers of Jesus.

OPPORTUNITIES

Significant roles an intern could apply for include:

- **Bridge-Building Events:** Owning key pieces of existing events and/or creating new opportunities so we engage new people with Jesus.
- **Spiritual Growth:** Forming tangible steps to move people from “guest” to “growing.”
- **Small Groups:** Creating healthy spaces/content for students to share life and receive mentoring.
- **Volunteer Development:** Guiding other volunteers to engage in regular serving, and helping recruit new volunteers for a first-serve.
- **Local Community Touches:** Helping/supporting others in need, be it on our own or by networking.
- **Parent/Family Connect:** Furthering our partnership with parents of teenagers and area households.
- **SQUAD Student Leadership:** Helping nurture a biblical community within the ministry that’s made up of all-in students who are willing to invest into each other and further our mission.
- **Publications/Social Media/Advertising:** Promote RS to students/families in our area (and beyond).
- **Creative Arts:** Guiding our worship band, tech teams, and/or drama ministry.

Pray about your next steps. We look forward to taking the next step with you, whatever that may be, if the Lord leads you to apply.
