

# A Life of Serving

50-DAY BIBLE READING PLAN

SUMMER 2025

# What does the Bible say about serving?

This 10-week reading plan covers 50 passages of scripture that will give you a broad understanding of God's heart for serving, how the Holy Spirit empowers us to serve, and how serving reflects the life and mission of Jesus.

Make time any five days of each week to read the passage indicated and note what stands out to you in each passage. Does it inspire you? Challenge you? Convict you? What questions does it provoke? Listen for what God may be speaking to you through his Word.

You can use the dates shown as a reference, but it's not necessary to map onto the exact dates. If you fall behind in your reading, just pick up where you left off anytime. Spending time in scripture is more important than keeping a schedule.
