PHH Mission Coordinator

Fall 2025

We are thrilled to share that we successfully distributed food in Ti Rivieres, where the people expressed joy and gratitude for your donations. Additionally, we reached the Island of La Gonâve, touching the lives of over 145 families.

During the food distribution, one of our pastors shared the Good News of Jesus Christ, and we are overjoyed to report that 15 families accepted Christ in these communities! Many in these remote areas have never been reached by any Christian and often questioned the existence of God.

Exciting News!

Dear Friends and Supporters,

I am thrilled to share that I have transitioned to full-time missionary work! This is a significant step in my journey, and I am incredibly grateful for your continued support and prayers.

As I embark on this new chapter, I am reaching out to ask for your regular prayers and financial support. Your contributions will play a crucial role in sustaining my mission and allowing me to focus entirely on the work at hand.

Please consider joining me as a regular prayer and financial supporter. Together, we can make a meaningful impact and bring positive changes to the communities we serve. Thank you for your unwavering support and encouragement.

Recent Events

Please continue to pray for Haiti. The situation remains challenging, but recent law enforcement efforts have been effective. We remain hopeful that with continued reinforcement, Haiti will breathe new air of peace.

- **Schools Preparing to Reopen**

With September marking the reopening of schools, our sister schools' staff are cleaning and repairing classrooms. Numerous parents within the Artibonite department and Ouest are encountering significant difficulties in procuring essential school supplies and uniforms. Many assert that agriculture, their sole viable option, has been rendered futile due to rampant gang activities in the area, resulting in
