Moll Church Plant Update

Rent in Argentina has increased, and the owners of the Moll building kept increasing the rent to unreasonable amounts. The area of Moll is very difficult to evangelize, and the community resists the Word of God that is presented to them. The town itself is very submerged in dark satanic occults and breakthrough has been increasingly difficult.

As a result, they have decided not to renew the rental contract at this time. The ministry has had help from the main congregation in Norberto de la Riestra. Families refuse to attend worship services, and many have come into conflict with having a church in their town. In Pastor Maria's heart she will continue to seek a better opportunity in Moll, if possible, but for now will do as the word says in Luke 9:5. We continue to pray for the town of Moll and pray for their receiving of God's Word. Meanwhile the other 2 churches are very much engaged with their community.

“God’s will be done”

Pastor Maria Grigioni

Luke 9:4-7 NIV

4 Whatever house you enter, stay there until you leave that town. 5 If people do not welcome you, leave their town and shake the dust off your feet as a testimony against them.”

6 So they set out and went from village to village, proclaiming the good news and healing people everywhere.

A Word from Pastor Maria Grigioni:

“It is hard work and yet an excellent teaching experience. We saw the fruits of our labor in all three church plants, we evangelized Moll's Town and held events but to date there are no faithful congregants in Moll. The Moll Church plant was accompanied by leaders of faith from Land of Worship each time. The owner of the building we worshipped wanted a 100% rent increase due to inflation. We sustained ourselves through fundraising opportunities, but the town is made up of 500 people and the rent was just too high for us to afford, even though we also contributed personally to this work because it is better to give than to receive, and we gave with love. Villa Moll is a spiritual stronghold. Our vehicles broke down on several occasions there, Witchcraft is evident, but we move ahead in perseverance.” **Pray for the Argentina Ministry**
