

Mexico

Summer | 2023 | by Pastor Christina Acosta

During the Spring of 2023, Pastor Victor Montalvo was able to meet and speak with Pastor Emigdio Sanchez, current Director of the Conference in Mexico. He is located in the Federal District. The goal is to consolidate ministry in Mexico between the current existing Conference and the churches that were planted by Palabra de Vida in Veracruz Mexico also. We hope to see them to begin to work together as one church body in Christ. Please continue to pray for the Conference paperwork that has taken longer than expected as the ministry has experienced setbacks with lawyers in the process.

In July Pastor Victor also visited the Vera Cruz work in Mexico and did some work on their building. Fans were installed in the church ceilings in preparation for Evening events and ministry. We hope to have more to discuss and share with the ministry in Mexico in coming months.
