### Vacation Bible School

We praise God for the wonderful opportunity to invest in the lives of children through our recent Vacation Bible School. It was a joyful and memorable time filled with Bible teaching, fellowship, creative activities, and fun. Most importantly, the children heard the message of salvation and were encouraged to grow in their understanding of God's love. We trust that the seeds planted in their hearts will continue to bear fruit for His glory in the years to come.

### Learning and Growing in God's Word

Throughout the program, the children participated in engaging, age-appropriate Bible lessons that helped them learn important truths from Scripture. Through Bible stories, interactive discussions, crafts, games, and hands-on projects, they were encouraged to discover more about Jesus Christ and His love for them. It was a blessing to see their enthusiasm as they learned, asked questions, and participated in each activity.

## A Special Message of Hope

One of the highlights of the week was a special balloon release, with each balloon carrying a message of hope and salvation. This meaningful activity gave the children an opportunity to share God's love in a creative and memorable way. As the balloons drifted into the sky, we prayed that each message would reach someone who needs the hope, peace, and salvation found in Jesus Christ.

## Grateful for Faithful Servants

We extend our sincere thanks to the teachers, volunteers, and families whose dedication made these activities possible. Their faithful service created an environment where children could learn, grow, and experience the love of Christ in a tangible way.

We pray that every lesson taught, every Scripture shared, and every seed planted will continue to impact these young lives. May many come to know the love, grace, and hope that are found in Jesus Christ alone. We are grateful for how God is working through the children and families of Argentina and look forward to seeing the fruit of this ministry in the days ahead.
