

Dominican Republic Newsletter

Summer 2025

Submitted by Victor Montalvo, Latino Ministries
Director

This was a trip I took in March. I took a church group to do some work on the church in Visentillo and Man-go Limpio. We did some painting and created some murals with verses.

Another activity we did—I brought the teacher from our church to give a seminar to the pastors in Dominican Republic: how to give a discipleship class. We left enough material for all of the pastors and leaders to teach that throughout the year. They were very excited with the classes. It took Friday and Saturday giving them this material. They were very pleased with the teaching and they said they are going to get together every other week and teach these classes.

We also worked on the plumbing at Pastor Fremio's house. Brother Juan Santos from our San Diego church, came over to assess that, and we got that accomplished as well.
