

# Mexico Newsletter

Summer 2025

\*Submitted by Pastor Victor Montalvo,  
GR Latino Ministries Director

This is a new church in Veracruz, Mexico near Arenal. The community is called Guadalupe. I visited them for the opening of the Church building, I got to stay with them and fellowship for a weekend service. Pastor Amando and Flor are working hard with the kids ministry, the way they do it, is they invite the kids to church, and then eventually the parents start to attend and come to Christ. The church in Guadalupe and the church in Arenal now work together to evangelize in the streets of Guadalupe and Arenal. Pastor Fausto, from Arenal, has been working with Pastor Armando for around six years. Keep praying for the churches in Veracruz.

## Your Generosity Matters!

We want to take this time to thank you for encouraging the work and supporting spiritually and financially.  
God Bless you!

The first week of May I visited the church in Oaxaca Mexico for the official opening of the building that we have been working on for the last year. Saturday we had the official opening. It was wonderful to see a lot of people are coming over to witness the place where our brothers are going to be gathering to worship God. This place is called La Union and it's in the mountains of Oaxaca about two hours from Huatulco Oaxaca. It was wonderful to see all this fruit that they brought to the church and after the celebration, we had a wonderful time with the locals and other churches that got invited to the event. God is moving on top of the mountains.
