Spring 2026

These are photos of the new church building in Oaxaca, located in the Sierra region near Huatulco, at the summit of the mountain in a community called La Unión. It is a truly beautiful setting—situated at the very top of the mountain—where the breathtaking surroundings create a profound sense of closeness to God.

The congregation has recently completed the installation of the doors and windows, marking an important milestone in the construction process. They are deeply grateful to everyone who has prayed, given, and supported this project along the way. Your partnership has made a meaningful difference. **Submitted by Pastor Victor Montalvo, GR Latino Ministries Director*

This is a new ministry location in San Luis Potosí, in a small community called El Quelitalillo.

This town has never had an established church or a consistent opportunity to hear the message of the Gospel. We humbly ask for your prayers—that the Lord Jesus would open hearts and guide our efforts as we seek to share the Good News with the people of this community.

We are grateful that a local woman has generously donated a building to serve as the meeting place for the church. We are prayerfully trusting God to establish a vibrant and thriving congregation here by the end of the year. May He lead and provide every step of the way.
