Establishing New Churches and Advancing the Lord's Work

We praise God for the continued growth of His church throughout Nicaragua. The establishment of new congregations is a powerful testimony to the transforming work of the Gospel and the faithfulness of those who are committed to sharing the message of Jesus Christ. Each new church represents an opportunity to reach additional families and communities with the hope, love, and salvation found in Christ.

As these congregations take root, we pray that they will become centers of worship, discipleship, and evangelism, shining as lights in their communities and helping believers grow in their faith. We are encouraged to see men, women, and children gathering together to worship the Lord, study His Word, and serve one another as the body of Christ.

Advancing the Work of the Lord

In addition to the growth of new churches, we have continued making progress

Partnering in Purpose

To support ministry work in Nicaragua, you can scan the QR code, give online at www.cggc.org or mail your donation to:

CGGC—Global Reach
PO Box 926
Findlay, OH 45839

Please make your check payable to "CGGC" and write "GR 2850 Nicaragua Field Leader Support" on the memo line to designate your gift.

Thank you for encouraging this work and supporting us spiritually and financially. God bless you!

on several construction and improvement projects throughout our ministry locations. These developments are helping create spaces where people can gather for worship, discipleship, fellowship, and community outreach.

Through God's provision and the faithful support of those who pray, give, and serve, we have been able to move forward with important projects, including:

Continued construction of new church buildings to accommodate growing congregations.

Improvements and repairs to existing ministry facilities.

Development of spaces for children's ministries, Bible studies, and future outreach activities.

Preparation of ministry centers that will serve as hubs for evangelism, discipleship, and community engagement.

Every brick laid and every improvement completed is more than a construction project. These facilities are tools for ministry that will be used to share the Gospel, disciple believers, and impact communities for years to come.

While there is still work to be done, we are thankful for the progress that has already been made. We continue to trust in God's provision to bring every project to completion in His perfect timing. We are reminded that the Lord is building His church, and it is a privilege to participate in what He is doing throughout Nicaragua.

Thank you for your prayers, encouragement, and faithful partnership. Your support is helping strengthen existing ministries, establish new churches, and create opportunities for more people to hear and respond to the Gospel. Please join us in praying for these congregations, ministry leaders, and ongoing projects as we continue advancing the work of the Lord together.
