

Each year, our

Share the Blessing

Campaign helps connect generous Christians to life changing, soul winning needs from across the globe. This year is no different. We've selected 4 projects where you can be a blessing. If your heart is invested in medical support, childhood education, water scarcity, educating pastors to share the gospel, or church building— you can

"Share the Blessing"

that God has given to you in this season.

Thank you for your generosity, and may the Lord richly bless you as you bless others in His Name.

G.R. 2724
India Campus Medical & English
Medium School Project

#1 Initial Goal-\$120,000

These funds are needed to expand land use and include new medical and English Medium school ministries at the Uluberia Mission. This involves demolition of condemned buildings and construction of a school, medical facility, and staff housing dorms. This project is necessary in order to keep our Mission registration and continue ministry in India. The government of India requires our Mission to utilize all parcels of land with vital programs for the local communities. This will be a long-term project which may require additional funds over our initial goal.

#1

#2

G.R. 2930
Clean Water Wells
for International Fields

#2 Initial Goal-\$32,000

These funds will be used to dig clean water wells, and purchase hardware and water filtration devices to construct wells in our International Fields. Water scarcity is a constant threat in many of our international fields, where droughts are common, and public infrastructure cannot reach small villages. We've built water wells in countries like India, Bangladesh, Haiti, and more, and we want to be prepared to build additional wells as needed.

GR 5002
**Support for Latino Ministries
and Kenya Field leaders**

#3 Initial Goal-\$24,000

These funds will help provide biblical leadership teaching/training for our Field Leaders in Argentina, Dominican Republic, Mexico, Nicaragua, Venezuela, and Kenya. These funds will also provide travel expenses for them to visit and mentor church leaders within the fields they oversee.

GR 2832
**Land purchase for new church
building in Kenya**

#4 Initial Goal-\$6,000

We are raising \$6,000 to purchase land near Kagio, Kenya, where a new church will be built to serve the local community and support pastoral training. The funds to build the church are currently being raised by our pastors in Kenya through Voice of the Gospel Ministry (VOGM). The CGGC has committed to providing funds to purchase this plot of land while VOGM church members are committed to providing the funds to construct the church building. These commitments reflect the strong partnership in ministry and leadership development between CGGC and VOGM.

The current Kagio church is in critical condition; small and structurally unsound. Despite these challenges, our pastors continue to serve faithfully. The new church will not only replace the current building but also become a regional hub for workshops, training, and spiritual growth.

Our goal is to secure the land and have the new building built by early 2027, in time for the Winebrenner Theological Seminary graduation ceremony, which we hope to host in the new facility.

Your gift will help secure the foundation, literally and spiritually, for a thriving ministry in Kenya.
