Happy New Year Petra Family!

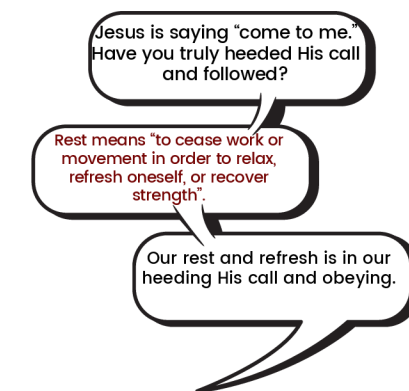

Welcome to Our year of Refresh!

To refresh means to give new strength or energy; to re-invigorate. God wants to give us new strength and energy this year 2025. He is calling us to stay plugged into Him like never before.

To be refreshed this year requires our participation. We will need to reexamine our labors (the burdens we have imposed on ourselves and that which others have placed on us - heavy laden).

As we heed His call and obey, He promises rest; which means "to cease work or movement in order to relax, refresh oneself, or recover strength".

But that's not where it ends. He then encourages us to take His yoke upon us. To yoke, in farm-speak, means to connect two animals together for work. When a young animal is getting trained, it's connected to a stronger animal, which then trains the younger animal while doing most of the work.

For us as believers, Jesus is inviting us to partner with Him in our work, and His work. Yokes are usually tailor made, meaning everything God calls you to do is exactly according to your ability and strength. He's a boss that's gentle and humble, only interested in our growth and progress and gently instructs and leads.

This year be deliberate about staying yoked to Jesus. And trust Him to guide you every step of the way.

"Come to Me, all you who labor and are heavy laden, and I will give you rest. Take My yoke upon you and learn from Me, for I am gentle and lowly in heart, and you will find rest for your souls."

January facilitators: **Ruby Group**

Dear Petra Family,

Here's a summary of our activities for January 2025. We have successfully shifted from biweekly, to weekly Thursday prayer meetings. Join us on the prayer line every Thursday at 9:00pm. Our first in-person meeting of the year took place on Jan. 18th, hosted by the Ruby group. It was a great turnout, with around 20 women present. We enjoyed a delightful time filled with games, praise, fellowship, prophetic prayers& declarations,

Shout out to our 1st time in-person attendees, Sisters Ijeoma M, Jenny and Yomi

and positive affirmations to start off the year in the right direction.

Our last virtual prayer meeting for the month, held on Jan. 30th was successful as well, with about 22 women joining the prayer line.

This year, we are excited to have established our six (6) Petra subgroups, drawing inspiration from Exodus 28:17-21.

*Petra Subgroups:
Ruby, Sapphire, Turquoise,
Emerald, Topaz, &
Amethyst.*

God promised comfort and restoration through references to precious stones, representing the tribes of Israel with 12 stones to be sewn into Aaron's priestly garment. For the subgroup named Ruby, He stated that our pinnacles will be built with Rubies, highlighting that wisdom and a virtuous wife are valued far above rubies.

Isaiah 54:11-12 NKJV

In conclusion, the Ruby group would love to invite you to join our read-through-the-Bible initiative for 2025, beginning with the book of Genesis. We are utilizing the YouVersion Bible app for this journey. As stated in Proverbs 27:17, "Iron sharpens iron, and one person sharpens another."

In Genesis, God is seen as very meticulous & intentional in all He does. Everything He created is good (Gen. 1:4). And we are His masterpiece, uniquely created for His glory.
