

SUNDAY SERMON

Wider and Farther

In Acts 8:26-40, Philip follows God's direction into an unexpected encounter with an Ethiopian official seeking to understand Scripture. As they explore the passage together, Philip shares the good news of Jesus, leading the official to faith, baptism, and joy.

Their encounter shows how God works through unexpected connections, bringing people together to learn, share, and grow in faith. As we continue exploring what it means to go *Wider and Farther*, this passage invites us to consider where God might be leading us and who we might encounter along the way.

"What is one concrete step you could take this week to respond to God's leading?"
