# 2026 SPRING VOLUNTEER CATALOG

# SERVE ON MISSION

Volunteering is one of the ways we engage in discipleship within our church community. Serving is an expression of gratitude—giving back to God and to one another. Whether you are parking cars, helping guests find seats, holding babies, teaching kids, attending a youth retreat, leading a group, or playing an instrument, your service helps others take their next step in discipleship and grow in their walk with Jesus.

This booklet has been created to introduce the variety of volunteer roles available at Crossroads and to help you find your fit by equipping you to serve through your unique gifts. When you serve, you join our entire church in living on mission. You not only grow in your discipleship, but you also strengthen the collective discipleship work of Crossroads Christian Church.

We challenge you to find a place to serve by filling out the provided card or scanning the QR code on the back of this booklet to engage your gifts in service at Crossroads.

***"For even the Son of Man came not to be served but to serve, and to give his life as a ransom for many." - Mark 10:45***

# TEAM EASTER

Easter is the biggest celebration in the Christian year, and it is a time at Crossroads where we invite everyone to come and celebrate the truth that Jesus has risen from the dead! When we celebrate Jesus, we need all hands on deck to serve!

If you call Crossroads home, Easter is a great time to jump into service. There are multiple ways to serve, and if you don't have a serve team, Easter is a great opportunity to jump into service. Scan this QR code to sign up for Team Easter at Crossroads!
