

A TIME TO CONNECT

MENTORING FAITH - BUILDING COMMUNITY

STEWARDSHIP 2026

"I am the vine; you are the branches. Those who abide in me and I in them bear much fruit."
- John 15:5

As we begin a new church year, I want to personally thank you for your continued financial support of Williamsburg Presbyterian Church, especially over the past year. Your generous pledge has helped sustain our ministries and has allowed WPC to touch countless lives—within our congregation, in our community, and throughout the world. Our recent Offering Talks have highlighted the impact your giving makes. None of this would be possible without your faithful pledge support.

As noted in the Stewardship Committee's recent update, we achieved a balanced budget this past year—the first in four years—thanks to your generosity. This progress allowed us to strengthen our ministries and make important staff enhancements.

Looking ahead, I hope we can continue to count on your support. Your pledge is the key to sustaining last year's success. As you consider your pledge for the coming year, I invite you to prayerfully reflect on whether you might increase your support to further strengthen our ministries and extend our reach. If not, we are deeply grateful for your ability to maintain your current level of commitment.

Thank you again for your faithful support of Williamsburg Presbyterian Church. You truly make the difference. Dedication Sunday is October 26. You may bring your pledge card that day, return it by mail, drop it off at the church office, or pledge online at mywpc.org/pledge. Your continued generosity is vital as we connect in meaningful ways with one another, our community, and our neighbors in Greater Williamsburg—**It is Time to Connect!**

Sincerely,

Pete Osman, Chair
