Approximately 10 years after the launch of Encuentro, we are in the process of becoming fully independent. Though we continue to meet at the same location at Northwest Community Church, this “full independence” means that we are working towards independence in leadership, programs, and finances. Some of the recent changes include: forming a separate nonprofit organization, opening our own bank account, forming an Encuentro leadership “council”, launching our Spanish-speaking children’s ministry “Encuentro Kids”, and laying the groundwork for youth ministry.

Be Part of a Child's Christmas Story.

This fall, we're joining thousands of churches around the world to pack shoeboxes for *Operation Christmas Child*. For many, this will be the very first gift they've ever received, along with the message of God's love.

You can be part of this mission! Visit the foyer table for details and a list of needed items. Together, we can bring joy, hope, and the love of Jesus to children across the globe.
