Encuentro is scheduled to become financially independent in September of this year. We request that you join us in prayer as we seek to hear and follow God's voice in this new phase of Encuentro's life, convinced that wherever He leads us, He will provide and equip us for the ministry He has called us to carry out. We are now categorized as a church plant by the district where as before we were under the umbrella of Northwest Community Church. Please pray intentionally for Encuentro's "council", made up of 10 men and women who are praying together and making leadership decisions during the transition.

Be Part of a Child's Christmas Story

September 28th

This fall, we're joining thousands of churches around the world to pack shoeboxes for *Operation Christmas Child*. Each box is filled with boys, school supplies, and everyday essentials - and sent to children in need. For many, this will be the very first gift they've ever received, along with the message of God's love.

Visit the foyer table for details and a list of items needed.
