GLOBAL PARTNERS

Manuel and Susan Abarca
EFCA Hispanic Ministries
San Antonio

We're grateful for how God continues to move at Encuentro as we see people come to Christ, be baptized, and grow as disciples. We also remain actively connected with a network of churches in Chile, where Manuel meets regularly with leaders from seven churches to help strengthen discipleship and build healthy ministry structures. He also has the opportunity to preach remotely each month to one of the congregations. We're thankful for the ways God continues to bless and grow this partnership. This summer, we're taking a brief pause as we prepare to launch home groups this fall with the goal of equipping new leaders, building deeper community, and reaching the neighborhoods where our families live.

Be Part of a Child's Christmas Story

September 28th

This fall, we're joining thousands of churches around the world to pack shoeboxes for *Operation Christmas Child*. Each box is filled with boys, school supplies, and everyday essentials - and sent to children in need. For many, this will be the very first gift they've ever received, along with the message of God's love.

Visit the foyer table for details and a list of items needed.
