GLOBAL PARTNERS

Glenn and Anne Olson
October 2026
EFCA Youth Ministries

Glenn has been involved with the EFCA leadership since 2004. Our church has been supporting Glenn for many years.
Glenn and his wife Anne have 6 grown children and their families love being together. God continues to stretch Glenn to live out a more prayerfully dependent life. He is grateful to serve alongside our district team as we serve pastors, church leaders, and churches.

Student Ministries

As director for student ministries, his ministry focuses on shepherding and coaching youth workers, mobilizing prayer in the EFCA, and promoting and overseeing the District Blitz Student Conference.

NEXTGEN MINISTRY

Make a difference with Operation Christmas Child!

Don't miss your chance to be part of something that will impact children around the world for eternity. For many, this small box will be their very first gift and a powerful reminder that God loves them. Stop by the foyer table today, grab a list of what's still needed, and bring your donations to the church office by **November 15th.** Let's finish strong and send out every box filled with joy, hope and the love of Jesus.
