GLOBAL PARTNERS

**AWANA MISSIONARY
BRENDA COLE**

I have been working as a missionary for about 6 years now and one of my favorite things is the people. I love the people I work with and the ones I serve in the churches. Going to visit churches and seeing and working with the kiddos is such a joy. I love it when I see a church really reaching out to kids with tougher home lives and being that caring church and adult in their lives. Sparks letters make me smile really big. Pray for our churches as they start Awana again this Fall. I pray many churches will see the need to disciple kids to be resilient disciples that will be able to stand in our culture and share the Love of Jesus around them.

Be Part of a Child's Christmas Story

This fall, we're joining thousands of churches around the world to pack shoeboxes for *Operation Christmas Child*. For many, this will be the very first gift they've ever received, along with the message of God's love.

You can be part of this mission! Visit the foyer table for details and a list of needed items. Together, we can bring joy, hope, and the love of Jesus to children across the globe.
