Ministry Update: June 2026

June 8 - 13: We will be attending the Asia Evangelical Association (AEA) conference in Manila, Philippines as representatives of BeMultiplied. The perspective of the AEA is: On His final days on earth, Jesus gave His disciples the key for the Church to survive, thrive, and fulfill her calling: to disciple all nations (all peoples). Either we, the Church, disciple people, or we will not survive. Conference theme: Disciple or Die. Please pray that we will represent our organization well as we believe BeMultiplied has the curriculum and methodology to help fulfill this vision in a powerful way. Pray for divine appointments.
