## **CALLINGS**

ACTS 13:1-52

A       **CALLING**       is anytime God gives you clarity of His desired direction for your life, your next season, or your next step.

A       **POWER**       moment is an obvious demonstration of God's power that exposes spiritual opposition and ideally leads to breakthrough and belief.

A       **SPIRITUAL DOMAIN**       is any area of life or leadership that God has entrusted to you, where you can invite the work and impact of Jesus in a special way.

Our       **MESSAGE**       is: Through Jesus there is forgiveness for your sins. Everyone who believes in Jesus is made right in God's sight.
