FAITH PERSEVERES

Hebrews 11:39-12:3

Main Idea: Faith perseveres because we know the ONE who holds the story.

First Insight: Faith Trusts Because the Story Isn't Over.

Hebrews 11:39-40

Faith trusts that the story is **BIGGER** than the chapter we're currently **LIVING**.

Second Insight: Faith Invites Us to Run the Race We've Been Given.

Hebrews 12:1

What are the things that keep pulling your attention away from Jesus?

What habits are slowly making you spiritually tired?

What distractions are consuming the time and energy you could give to God and the people He's placed around you?

Sometimes perseverance begins with letting

SOMETHING GO.

Third Insight: Faith Fixes Its Eyes on Jesus.

Hebrews 12:2-3

Hebrews invites us to lift our eyes and consider

JESUS.

Invitation:

#1: Don't quit in the middle of the story.

#2: Take the next step in the race God has given you.

#3: Fix your eyes on Jesus.
