Review

In our last lesson, we talk about one of the characteristics of those who turn the world upside down. We learned that....

those who turn the world upside down.... live by the Holy Spirit

Today's Focus:

Choices of those who turn the world upside down.

1. Those who turn the world upside down **choose to** believe that God can reverse the tide and shift the momentum in our favor!
2. Those who turn the world upside down **choose to** be counted among those who will take a stand to preserve the testimony of God....willing to make personal sacrifices.
3. Those who turn the world upside down **choose to** believe beyond human reasoning & the way things use to work & choose not to put limits on God! **Luke 1:37 Jer. 32:17,27**
4. Those who turn the world upside down **choose to see** Possibilities when others only see Problems.

5. Those who turn the world upside down **choose to see**
Persecution Comes with Progress so you are undistracted.
6. Those who turn the world upside down **choose to see**
Preparation as an investment for superior Participation.
7. Those who turn the world upside down **choose to** Partner with
God in Private to Serve with Power in Public.
8. Those who turn the world upside down **choose to be** Positioned
by Purpose and Principles and not by Passion Alone
