## MANNA MINISTRY

Please be in prayer about the next opportunity that our Manna Ministry can have for Kingdom impact in our community. On Saturday, August 23rd, we will be at a local mobile home park from 9:00 AM until 11:00 AM to distribute food and share the Gospel. Those who can help are asked to gather at FBCH at 8:15 AM and carpool out there. Set up will begin at 8:30 AM. If you can be a part of the SERVE Team that day, please [click here](#) or scan the QR code. **Deadline for sign up is Sunday, August 17th.**

## Welcome

**W**elcome to First Baptist Church. We hope you will draw nearer to God today as you worship Him. The New Testament writer James tells us, *"Draw near to God and He will draw near to you"* (James 4:8). May we all heed these God-inspired words by setting aside other priorities, concerns, and interests in order to be fully present with God this morning. He loves us and He loves it when we love Him in worship. Let's purpose to love our Lord well today as we listen, pray, sing, study, and respond. Surely, this will begin the new week appropriately centered upon our God and His glory. If you are interested in more information about First Baptist Church or have questions, please scan the QR code here. If you are new to First Baptist, please linger following the service. Our pastors and members would enjoy meeting you and conversing with you.

## Budget 2026

The new church year has officially begun as of August 1, which also marks the beginning of our preparation of the budget for the upcoming year. Each committee member should receive a Ministry Planning Packet today at the Committee on Committees luncheon. If a committee member is unable to attend the luncheon, the chairperson of the committee will have a packet ready for you. The packet contains all that is needed to complete 2026's Budget Requests and Ministry Goals.

Hopefully, at the luncheon each committee will be able to set a first meeting date so committees can get started on completing next year's budget request. Also, to better help you understand your role in serving with your committee, the committee job description is included in the packet. Because it is important for each committee to understand the role that the church has entrusted to it, each committee should carefully review its job description.

Remember, we ask that all Budget Requests and Ministry Goals be returned to the Church Office by Sunday, September 14, so that the Stewardship Committee can begin their work of compiling our 2026 Church Budget.

Thank you to all who have answered God's call to serve on the various committees and in the many ministries here at FBC Headland.

A special thank you to the members of the Nominating Committee and the Committee on Committees for all their hard work. Also, please join me in appreciating those that so graciously served our Lord with their time and talents this past year.

Serving Him, Chris Dampier

***"Serving Christ by Serving His Church"***

Our new 'church year' began on August 1st. Our Committee on Committees will lead us to 'ring in the new year' today. We will celebrate and commission the many church members who have made the commitment to use their God-given talents in serving our church and the Head of our Church - Jesus Christ - during the 2025-26 church year. After the Morning Service, the Committee on Committees will sponsor a lunch for all committee workers and their families. Following lunch, all committees will meet briefly to schedule their upcoming work on goals and budgets for the coming year.
