service. On most Sunday's it's open during both 9am and 10:45am worship.

Green Tip

Try a new "green" activity for a week and plan a reward for yourself. This will help make it a habit. For example: Grab a rag instead of a paper towel and put the paper towels under the sink or where they are less accessible. Now go have some ice cream!!

Coming up in Worship

Wednesday, February 18: Let us begin our Lenten journey together at 7pm for a youth led in-person worship with imposition of ashes.

Our Ash Wednesday online service premieres at noon on Church Online, the service is also available on YouTube.

Starting Sunday, February 22: This Lent, we invite you into the ancient poetry of the Psalms. Together, we'll explore how these sacred texts still speak to our lives today-naming suffering honestly, imagining a more compassionate world, and discovering a spirituality that embraces both lament and joy. The Psalms give us permission to bring our whole selves before God: our questions, our justice-longing, our weariness, and our hope. Come be inspired on Sundays, February 22-April 5.

Lenten Study: Pause with the Psalms

Come pause with a Psalm this Lenten season with Pastor Christine Ford during this 6-week class on Tuesdays during Lent. We will be using the book ***Pause*** by Elizabeth F. Caldwell to delve deeper into the rich theology reflected in these ancient Hebrew songs. This class will meet weekly at **2:00pm** starting **Tuesday, Feb. 24 and run through March 31**. Participants are encouraged to purchase their own copy of the book, as it will enhance our shared study. To secure your spot, please **click the image to register**. You may also sign up in the narthex or by contacting the church office.
