

MATTHEW 14:29

So Peter got out of the boat, started walking on the water, and came toward Jesus.

After you watch Eddie The Eagle, try discussing one or all of these questions:

1. Eddie kept going even when others doubted him. When have you felt like giving up? What helped you keep going?
2. Why do you think persistence matters so much in faith?
3. How can we encourage each other as a family when things get hard or scary?
4. When Jesus asks Peter to step out of the boat onto the water (Matthew 14:22-33), why do you think it was scary? How does God help us when we are scared?
5. What is one goal or challenge you feel God asking you to trust Him with right now?
