Week of Compassion is the denomination's fund for disaster relief where we can partner with and help those in need around the world. By combining funds from many congregations our impact around the world is far greater than the sum of the numbers.

The theme for Week of Compassion's 2026 special day offering comes from Mark 2, verses 1-5 "When he returned to Capernaum after some days, it was reported that he was at home. So many gathered around that there was no longer room for them, not even in front of the door, and he was speaking the word to them. Then some people came, bringing to him a paralyzed man, carried by four of them. And when they could not bring him to Jesus because of the crowd, they removed the roof above him, and after having dug through it, they let down the mat on which the paralytic lay. When Jesus saw their faith, he said to the paralytic, 'Child, your sins are forgiven.'"

When the four brought the paralyzed man to Jesus and saw no path to him, they somehow still found a way. **Week of Compassion** takes this approach with helping those in need. When paths seem blocked or non-existent they somehow still find a way.

This year's Special Day Offerings for Week of Compassion are February 15 and 22, although you may give to Week of Compassion anytime during the year. I would like to stress that giving to Week of Compassion is very important and well used but this should be "Above and Beyond" our normal giving to Salem FCC.

Thank you all!

Pastor's Message from Co-Senior Minister, Michelle Harris-Gloyer

As we approach the season of Lent, we enter a sacred time of reflection, preparation, and deepening our relationship with God. Lent offers a unique invitation to set aside the noise of the world and listen more closely to the “still, small voice” of the Spirit.

The Significance of Ash Wednesday

Our journey begins on Ash Wednesday (February 18). This service is one of the most profound moments in the church year. As we receive the imposition of ashes—a small cross with oil and ash, gently marked by a pastor on participant's forehead or hand—we are reminded of our mortality and our total dependence on God's grace. We hear the words, “From dust we were created, and to dust we shall return.” We remember what God can do, from ashes to resurrection!

We often focus on the joy of the Resurrection, but we cannot fully appreciate the light of Easter morning without first walking through the shadows of the wilderness. The ashes are not a sign of shame; they are a mark of honesty in bringing our whole selves to God. They signal our desire to “turn around” (the literal meaning of repentance) where we get stuck and realign our lives with the way of Jesus.

A Meaningful Lenten Journey

Lent is a 40-day season (excluding Sundays) modeled after Jesus' time in the wilderness. I invite you to make this journey meaningful by adopting a “Lenten Practice” that feeds your soul:

- “Fast” from Distraction: Consider setting aside a habit that declutters your mind to create space for prayer.
- “Feast” on Service: In the spirit of our commitment to care and compassion, find a new way to serve neighbors.
- “Dwell” in the Word: Use a daily scripture reading resource and/or a weekly devotional that Salem FCC will provide to ground and lift your days.

- Mark your calendar to attend services such as Ash Wednesday (2/18), Maundy Thursday (4/2), and other special Lenten opportunities through the church.

An Invitation to the Table

We invite you to join us for our Ash Wednesday service at 12:00 noon on Wednesday, February 18. Come as you are—with your doubts, your burdens, and your hopes. Together, we will start this journey toward the cross and Easter morning—knowing that we do not walk it alone.

May this season be for you a time of holy renewal.

Peace and blessings, Pastor Michelle

Tackle Hunger Challenge Souper Bowl of Caring • February 8

Salem FCC is running a food drive to help fight food instability. It revolves around the popular football game that is on February 8. We have a "Souper Bowl" table set up in the Narthex to collect non-perishable foods through February 8. All the donations go to Marion-Polk Food Share. Proteins are often the harder food group for families of limited means, so peanut butter, tuna, and chili are great ideas. Help fight hunger!
