...where love leads community

Communion

Communion, the Lord's Supper, is celebrated weekly at our worship experiences. During this worship activity we are invited to recall our week and bring our hopes and hurts to the moment. As we share the bread and cup (served via individual communion cups and wafers), we claim God's love and forgiveness, healing and reconciliation. Leaving worship, we are asked to take this grace and healing into the rest of our week. Everyone is invited to share in this celebration.

Our Roots

Our faith community was founded in 1855. We were sharing ministry in Salem before Oregon was a state! We have enjoyed a vibrant history of serving our neighbor, for example local Habitat for Humanity projects and overseas mission trips to Ecuador. In addition, we celebrate a passion for passing on the faith from generation to generation as families raise their children in our community.

Our congregation is an active participant in the Christian Church (Disciples of Christ). Hallmarks of this movement are church unity (ecumenism), Bible study, weekly celebration of communion, baptism by immersion, and sharing ministry as they see called by Jesus.
