HOPE MOUNTIAN KIDS *news*

Hope Mountain Church Children's Ministry

2025 GOAL!

What can you do to help us meet this goal?

One of HM Kids' biggest goals this year is get our kids reading their Bibles!!

We are working hard on learning our books of the Bible, how to look up verses, and how to study God's word.

1.) Make sure your child has a Bible. We have plenty at church if you need one.

2.) I have purchased tabs for each child's Bible. This makes it easier for readers to look up scripture themselves.

3.) Keep up with AWANA studies each week and/or keep up with what we are studying in Kids Church each week.

4.) Have your kids study their Big Picture cards that show what scripture we learn each week.

5.) Let your kids see you reading your Bible!
