We light this flame to affirm that where there is light, there is understanding. Where there is understanding, there is compassion; Where there is compassion, there is possibility; Where there is possibility, there is transformation. Holy and Living God, transform our fears into awe-inspired wonder. Open us to this light, and to the rich possibilities that it brings us for a “wonder-full” life.

OFFERING PRAYER		In Unison
Gracious God, looking back, we see the generosity of those who came before us, acknowledging their hardships and struggles, their joys and gains that bring us to the place we are now. In looking back, help us to build a foundation for those who will look back at <i>our</i> lives, those who will be affected by what we do, what we offer, what we give. Help us to rejoice in the knowledge that lives are being changed now and in the future because of what we are able to do with this collective offering. In the name of Jesus Christ we pray. Amen.
