We light this flame to affirm that where there is light, there is understanding. Where there is understanding, there is compassion; Where there is compassion, there is possibility; Where there is possibility, there is transformation. Holy and Living God, transform our fears into awe-inspired wonder. Open us to this light, and to the rich possibilities that it brings us for a “wonder-full” life.

Gracious God, looking inward, we recognize our own hesitation to see and believe what we can accomplish together. Give us the courage to bring the vision of your hospitality and justice to life now and for the future. May these earthly treasures we offer become the path to treasures of well-being for those who will be touched by it. In the name of the one who called all to the true treasure of life with God, Jesus the Christ. Amen.
