

# The Word

*John 1:1-3*

*In the very beginning the Word was already there. And the Word was with God, yet fully God. They were together - face to face, in the very beginning. And through his creative inspiration, this Word made all things, for nothing has existence apart from him!*

Let's remember that the Word, Jesus, must be your firm foundation. With Word, Jesus formed you and me, and spoke the entire universe into existence. Today, it has still the same power holding all the stars, galaxies, and nebulae

together. It still holds the places where stars are born and dying together. It holds everything together. Now you too must discover, enjoy the unending strength in the absolute Truth of God's Word.

God's Word is your strength, your shield, your light, and your sharp weapon against the enemy. It is the light that pierces through the darkness. It is the light that gives you clarity of your thoughts and mind. Light is a powerful thing. Darkness can never resist the light! It should disappear when light shines. God's Word and Will are one. God's Word is power and love.

God has given you the Word to understand how to understand the divine truth rightly. In the very definition of truth, Jesus and the Word are one. It is the reservoir of joy, love and wisdom. It is alive. It is moving. It divides bones and marrows, souls and spirits. It awakens you. It is calling out to you to dive into its depths and swim within its safety.

God has given you the Word so that you will always have treasure to dig and mysteries to unravel. Hold fast the Word in your hands. Unite your heart with Jesus. Meditate upon the Word, and let it flood you with life.
