Hello Everyone,

I'm writing to invite you to a live presentation next week Tuesday (November 17, 2026) at 6pm by Rev. Jason Mahnke. Jason is the Wisconsin United Methodist Foundation (WUMF) Director of Programming and Campaigns. Jason will be coming to Fifth Avenue United Methodist Church in West Bend to give a presentation about fundraising in United Methodist churches within the conference. He will discuss what United Methodist churches are allowed to do to fundraise and how to do it. Also what resources are available to us through the WUMF.

We will have this presentation in the Church sanctuary and it will be recorded.

As we discuss budgets, stewardship and church finances it is always important to know how to help ourselves through fundraising.

I'd like to thank our fellow Trustee, Mark Scheel, for reaching out to Rev Jason and getting this presentation setup. However, fundraising at church is not up to Trustees only! Fundraising can be done by any group, any committee, any member.

We hope to see you all on November 17th at 6pm in the Church Sanctuary!
