National Food Resources & Advice

Feeding America: These guys have a nationwide network of 200 food banks. From those food banks, they have 60,000 partner pantries from which they can serve every community across the United States. This is an awesome resource, and they have already begun serving Federal employees affected by the government shutdown.

Your School District: To save on food and ensure your kid eats breakfast and/or lunch free (less stress and worry for you), notify the district of your furlough. No income is an emergency and normally qualifies you for the free meal program.
