

Registration for Little Blessings 2026–2027—available to Hope’s Church members will open on Monday, February 16, 2026.

Little Blessings is a Parent’s Morning Out program for children ages 0–2 years. The program runs Monday through Friday from 8:45 a.m. to 12:00 p.m., with optional early care beginning at 8:30 a.m. and lunch bunch until 12:30 p.m. (additional fees and registration apply).

While at Little Blessings, children enjoy free play that encourages social skills such as sharing and taking turns, along with structured activities including music time, snack time, and circle time. We assist with diaper changes and support potty training as needed.

While social development is our primary focus, we also introduce age-appropriate learning experiences.
