Subject: Statement of Interest – Trustee Classification: Building/Grounds

Dear Members of the Trustee Nominating Committee,

I am writing to express my sincere interest in serving as a Trustee at **Victory Missionary Baptist Church**. As an active member and participant in the Kingdom Men's Ministry, I am deeply committed to supporting the mission, ministries, and stewardship of our church. My desire to serve as a Trustee stems from a strong conviction to use my professional and spiritual gifts in service to God and to the Victory family.

With over three decades of experience in facilities management, construction supervision, and project coordination with the Los Angeles Unified School District, I bring a background well aligned with the Building and Grounds classification. I have managed large-scale maintenance and construction initiatives, ensured regulatory compliance, and overseen budgets and safety operations for major educational facilities. These experiences have instilled in me a deep respect for accountability, excellence, and teamwork.

Prior to joining Victory, I also served for eight years on the Trustee Board at First United Methodist Church of Pacoima, located in Pacoima, California, where I held the position of Vice President. That experience strengthened my understanding of church operations, fiscal responsibility, and collaborative leadership within a faith-based setting.

As a Trustee, my goal would be to help maintain and enhance the physical integrity of Victory's campus while upholding the highest standards of stewardship and transparency. I am eager to serve faithfully alongside other dedicated leaders to ensure that our church facilities continue to reflect the excellence and care worthy of God's house.

Thank you for your time and consideration. It would be an honor to contribute my skills and faith in this vital role.

Respectfully,

George T. Stewart II
