

The VMBC Building Fund Steering Committee (BFSC), along with Senior Pastor and Church leadership, is responsible for spearheading the building and remodeling endeavors for the Church. This Committee will communicate with the professionals who are designing and constructing the Church. This Committee also ensures the congregation has a voice in the process and that they feel their needs will be met in the new church building. In addition, this Committee ensures the church body is informed about key information throughout the process and that the God-given vision for the Church becomes a reality.

**Requirements for individuals participating on the VMBC Building Fund Steering Committee:**

1. **Must be a member of the Victory Missionary Baptist Church who is committed to the Church's mission and vision.**
2. **Experience in professions such as real estate, interior and architectural design, financial, construction, and legal is helpful but not required.**
3. **Must have a collaborative spirit. This implies a willingness to work well with others and be willing to consider different ways of accomplishing things.**
4. **Must be willing to lead the church through a complex building process that can include capital fund raising; real estate sale and acquisition; vision casting; strategic planning; loan financing; architectural design, construction project delivery, and more.**
5. **Willingness to serve on the BFSC until completion of the project.**
6. **Willingness to chair or serve on a BFSC subcommittee if assigned.**

Please submit your letter of interest to [Trustees2@victorymbc.org](mailto:Trustees2@victorymbc.org) no later than Friday, May 8<sup>th</sup> at the close of business, thank you.”
